**HATTON**

# Hatton Chairs

Elegant, streamlined simplicity

Hatton is the perfect multi-purpose chair. Light, stackable and easy to move around, it allows spaces to be quickly reconfigured. The distinctive silhouette incorporates comfort and durability, formed of a single piece of injection-moulded polypropylene and fibreglass blend. Hatton is a low maintenance, easy to clean seating option for indoor and outdoor spaces such as cafes, classrooms and sports venues.

## Indoor Advantage Gold - Furniture

This product is certified to Indoor Advantage Gold - Furniture, making it suitable for many building rating systems, including LEED v4, BREEAM, & WELL Building.

		Flannel	
		Aqua Blue	
		Parrot Green	
		Tangerine Fizz	
		Poppy Red	
2.	Transport dolly	Black powdercoated steel (18 chairs stack per dolly)	

## Care & Maintenance Instructions

Proper care and careful use are the best methods of maintaining the appearance and finish of any product. For normal cleaning of poly shells, use a soft cloth with mild soap or detergent and lukewarm water. Do not use solvents, citrus/orange-based cleaners, or heavy-duty kitchen cleaners. Remove chewing gum and similar stubborn spots with cigarette lighter fluid. Wipe dry immediately. A general, non-abrasive all-purpose cleaner is ideal for light cleaning and to restore lustre to smooth surfaces. Its anti-static properties help repel dust and dirt. High-quality wax restores lustre and protects the finish.

## Environmental Information

### Materials

- 88% polypropylene
- 12% fibreglass

### Packaging
