

Mobile Folding Table Warranty

Spaceright Mobile Folding Tables carry a 16 year warranty on the welds and mechanism, however, it is important to note that the tables require ongoing maintenance to ensure they continue to operate at the optimum level.

To keep the tables covered during the warranty period, you should:

- Regularly inspect table operation for smoothness and general stability
- Clean table tops according to current food service hygiene practices after each use
- Exterior components of tables should be inspected for food deposits and cleaned as required
- The underside of the tables should be inspected for chewing gum and other food deposits
- Every 6 months you should lubricate tables with a food grade silicon spray which is required to pivot joints or more often if indicated by stiff operation or noise
- Ensure tables are used in accordance with supplied operating instructions

CAUTION: Excessive use of water during cleaning may cause corrosion

Warranty Details

- The 16 year warranty applies to the table mechanism and welds
- Stools, table tops and wheels are not part of the 16 year warranty and have a standard 1 year warranty
- Deliberate damage, neglect and misuse are not covered as part of the warranty
