

Mobile Folding Table Care & Maintenance Plan

Your new tables carry an extended 16 year warranty (on welds and mechanism) however, it is important to note that the tables require ongoing maintenance to ensure they continue to operate at the optimum level.

Spaceright Europe Ltd offer a Mobile Folding Table care and maintenance plan, to ensure your tables remain in optimum working order.

The care and maintenance plan involves an annual site visit by one of our experienced service team. During the visit the tables will be inspected, lubricated and cleaned. Any defective parts will be replaced with manufacturer's parts and all tables will be serviced to manufacturer's standards. Our service team will ensure the tables are being cared for and lubricated in accordance with the operating instructions and can demonstrate this process if required.

Annual charge of £395 (exl VAT). covers up-to ten tables at one address with a subsequent charge of £40 (exl VAT) per table for any additional tables.

Any additional costs for parts or damages due to deliberate damage, neglect or misuse that are not covered under the warranty, will be quoted and charged separately.

The care and maintenance plan does not include:

1. Additional callouts during the year.
2. Consumables, missing parts and damaged parts due to deliberate damage, neglect or misuse.
3. The care and maintenance plan does not cover additional tables.
(Unless they have been added to the number on record).
4. Training requirements.
5. Regular lubricating schedule requirements.
6. Regular safety checks.
