

Flexion

🕒 5-10 working days
Subject to fabric availability

🏆 5 year warranty

The popular Flexion has become the successful seating solution for a wide variety of applications. The new Flexion has all the same features but with some great additions, including the new ergonomic head rest, a petite seat and a new mechanism option.

Features

Synchronised mechanism option: providing freefloat back action, seat and back in 2:1 ratio, lockable in 5 positions with Integral Seat Slide allowing seat depth to be adjusted through 50mm

Tilt mechanism option: adjustment of seat and back angles independently

Ratchet back height adjustment

Optional panelled back to create individual style

Tension adjustment to suit individual user weight

Compliant with HSE seating at work directives

Weight capacity 150kg

The new ergonomic adjustable optional headrest provides complete support

New outer back design to accommodate new optional adjustable headrest

Tilt mechanism (M2) now available with optional seat slide

Petite seat option now available
