

## **Guidelines regarding Life Time Guarantee**

We are now offering a "Life Time" Guarantee on all of our folding tables.

The definition of "Life Time" when related to the guarantee of a product does not indicate that the product will last a human life time but the length of time you would expect the product to be serviceable.

We are confident that our folding tables will provide extremely lengthy service with their tried and tested design.

The guarantee reads:

### **Gopak Product Guarantee**

Gopak Ltd manufactures a range of products which come with either a Lifetime or five year guarantee.

Our Lifetime guarantee covers folding tables and stacking benches.

Our Five year guarantee covers table trolleys, Enviro tables and benches and Ultralight staging.

In the unlikely event of a defective product being supplied and if the problem is specifically related to faulty materials or workmanship, it will either be repaired or replaced, depending on the nature of the defect found.

Our guarantee does not include normal wear and tear and assumes that the product has only been subjected to normal use.
