IN-OUT

IN-OUT

In-out table is made from durable materials making it well-suited to both indoor and outdoor usage. The design features a compact grade laminate top, outdoor powder coated steel legs and soft touch stacking risers, allowing the table to stack efficiently. The tables feature a round or square top and come in either black or white. The design's simplicity twinned with its functional qualities make it well suited to a range of public spaces such as cafés, office areas as well as more private spaces such as balconies and gardens.

Designed by Giles Pearson

OPERATION & MAINTENANCE

Version

IN OUT TABLE SQUARE, IN OUT TABLE ROUND

Assembly

The IN OUT chair is manufactured and stocked in the UK and should arrive in perfect condition.
The IN OUT chair is supplied fully assembled and ready for use.

Maintenance

The IN OUT chair should be cleaned on a regular basis, using a clean damp cloth.
Remove stains using a mild detergent and water. Avoid contact with sharp objects, as these may
leave scratches or damage the plastic surface.

Warranty/Life Expectation

IN OUT chairs come with a 10 year warranty for structural defects. Life expectation is 20+ years.
Upholstery - See material supplier guarantee period.

Recycling

IN OUT chairs are made from steel and can be recycled at the end of their life.

Compliance
