

SE Curve Chair

Giving purchasers increased choice in this popular range, the new SE Curve offers a softer, more rounded aesthetic to the classroom or study environment. Building on the ergonomic principles of the Classic, the Curve provides unbeatable postural support. Like the Classic, the Curve is easy to handle and stack having hand-holds and grips in all the right places. Get on to the new 'Learning Curve'!

The new Curve is available in a new softer range of colours that interact beautifully with each other and the wood-veneered seat option. Single colours or a more adventurous mixing is encouraged, both within an establishment and even in a single chair.
