Dining Furniture

2020

In designing our range, we have used our expert knowledge of schools and similar environments, to deliver a comprehensive range of dining solutions, which represent the very best in quality, versatility and value.

Innovation, quality, service and design are at the forefront of everything we do and drive the continuing success of our business.

- **Innovation**

As the leading manufacturer in our field, we are dedicated to investing in new product development and technological efficiencies, to enable us to successfully deliver cutting edge solutions for our customers.

- **Quality**

We are committed to using the best quality materials and most skilled craftsmen to ensure we supply products which are manufactured to a high standard, making them durable, safe and reliable, whilst also representing excellent value.

- **Service**

Customer service is pivotal to our success and we strive to provide the very best expert advice, helpful product information and after sales support, as well as competitive pricing, quick lead times and a reliable delivery service.

- **Design**

Our history goes back over 100 years, meaning that our product knowledge and market insight is unparalleled, so when it comes to designing products and space planning, we are experts in our field.

Free 3D Space Planning

We offer a completely free and comprehensive site survey and space planning service for our dining furniture range. So whether you have a detailed vision of what you want or need inspiration, we can provide a solution which is right for you.

World Map SmartTop

World Map SmartTop has a full sized map with country and city detail. The information around the map is split into continents with flags of each country that make up the continent plus country and city information. Each continent also has key information such as: area, total population, most populated city, population density per (km²), highest point, lowest point.

World Map SmartTop Table

685(h) x 3080(w) x 1500mm (d)

735(h) x 3080(w) x 1500mm (d)

Modern History SmartTop

Modern History SmartTop has information on significant world events, inventions, historical and sporting achievements in the decades from 1950 to 2000. Examples include: Discovery of DNA, the first scheduled flight by a commercial jet, first ascent of Mount Everest, first man to run a mile in under 4 minutes, the Cuban Missile Crisis and The Beatles first record.

Modern History SmartTop Table

685(h) x 3080(w) x 1500mm (d)

735(h) x 3080(w) x 1500mm (d)

Endangered Animals SmartTop

Endangered Animals SmartTop has information on the world's most at risk species including: tigers, rhinos, orangutans, elephants and Pandas. The SmartTop is full of useful "did you know?" information.

Our Services

Site Survey (Free of charge service)

To help with the buying process, we would be delighted to arrange a free site survey. Your dedicated Account Manager will visit you to discuss your requirements and take the necessary measurements.

This information will then be discussed between your Account Manager and our Product Design Engineers to produce layout plans.

3D Space Planning (Free of charge service)

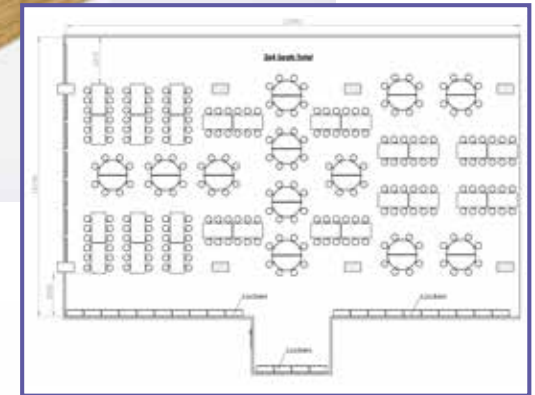

One of the most important services we provide to our customers is delivering detailed, aesthetic designs of cafeteria/dining room layouts.

To produce these, we employ qualified Product Design Engineers who are experts in creating bespoke dining solutions and space plans.

These designs are produced using modern 3D CAD (computer aided design) programmes to give a detailed idea of how the environment will look and feel. Using sophisticated modern 3D CAD engineering software, structural and finite element analysis is performed on all new designs to ensure that the most efficient and high performing solution is provided. These efforts result in high quality products at great value prices that our customers trust and that we are proud of.

3D space plan for 14 x 12 seat rectangular and 12 x 8 seat round tables

Operating Instructions

Operating Instructions

In the interest of safety it is important that the operating instructions shown opposite are followed when deploying and storing the mobile folding tables.

Required Maintenance

To keep your tables operating to the optimum level, they must be checked on an ongoing basis as follows:

- Regularly inspect table operation for smoothness and general stability.
- Clean table tops according to current food service hygiene practices after each use. Exterior components of tables should be inspected for food deposits and cleaned as required. The underside of the tables should be inspected for chewing gum and other food deposits.
- Periodically you should lubricate tables with a food grade silicon spray, which is required to pivot joints. We recommend lubrication every six months or more often if indicated by stiff operation or noise.

CAUTION:- Excessive use of water during cleaning may cause corrosion

Folding Table Operating Instructions

Moving The Folding Table

With travel lock engaged push from the seats as shown.

Do **NOT** push the surface of the table.

Avoid litter & obstacles on the floor.

Opening The Folding Table

With your left hand pushing down the travel lock, push apart the stool unit with your right hand on the middle stool.

Continue opening by pressing down with both hands on the middle stools.

Continue opening by pressing down with both hands on the centre stools.

Closing The Folding Table

Release locking bar by pressing down on the table surface, with right hand lift clear the lock.

Continue to lift using centre stools.

Using the middle stools push together to engage travel lock.
